

Specifications - ZAPPLIGHT® KIDS

Product name / Brand	ZAPPLIGHT®
Typ Modell	KIDS BLUE
Article no.	SKU010
Typ Modell	KIDS PINK
Article no.	SKU011
Product pictures	
Hybride	2-in-1 LED-Energy saving lamp with Bug Zapping Feature LED-Light, Bug Zapping Grid / Protective Grid / Blue UV-Light
Usage	Indoor
Lighting power	9W
Estimated energy costs per year	CHF 1.45 / \$ 1.31
Lighting luminous flux	600LM
Kelvin	3500k
Voltage	220~230V (US-Market 110V)
Frequency	50-60 Hz
Grid voltage	2000V
Protection class	I
Enclosure rating	IP22
Rendering index	> 75 %
Standard version (Socket)	E27
Life span	40'000 hours
Switching cycles	15'000
Protection Scope	40-50 m2
Working temperature	- 40°C ~ + 55°C
Applicable humidity	<=95%
Luminous angle	15-120 degrees
Transmittance	over 92,8 %
Dimmable	not dimmable
Case color	Blue and Pink
Lighting lamp bead	SMD5730
Insect killing lamp beads	DIP F5
Insect killing wavelength	365nm
Insect killing power	1 W
Patent USA and International	China, Japan, Australia, Germany (DPMA), other countries pendent
Development	designed in USA, Made in China
Energy efficiency	A+
EAN Code KIDS BLUE (SKU010)	0860365000424
EAN Code KIDS PINK (SKU011)	0860365000431
Classification / Guidelines	   
Certificates	GS Component / TÜV
Bulb size	80 x 155 mm (Ø x height)
Box size / single box	80 x 80 x 165 mm (length/width/height)
Weight lamp include packaging	177 gr (weight LED 127 gr)
Packaging Informations	40 bulbs per master carton (43 x 35 x 35 cm), weight 7,5 kg
