

Specifications - ZAPPLIGHT® ELLIPSE

Product name / Brand	ZAPPLIGHT®
Typ Modell	ELLIPSE
Article no.	SKU051
Product picture	
Hybride	2-in-1 LED-Energy saving lamp with Bug Zapping Feature LED-Light, Bug Zapping Grid / Protective Grid / Blue UV-Light
Usage	Outdoor (in the protected area)
Lighting power	8W
Estimated energy costs per year	CHF 1.45 / \$ 1.31
Lighting luminous flux	550LM
Kelvin	3500K
Voltage	220~230V (US-Market 110V)
Frequency	50-60 Hz
Grid voltage	800V
Protection class	I
Enclosure rating	IP22
Rendering index	> 75 %
Standard version (Socket)	E27
Life span	40'000 hours
Switching cycles	15'000
Protection Scope	40-50 m2
Working temperature	- 40°C ~ + 55°C
Applicable humidity	<=95%
Luminous angle	15-120 degrees
Transmittance	over 92,8 %
Dimmable	not dimmable
Case color	grey
Lighting lamp bead	SMD5730
Insect killing lamp beads	DIP F5
Insect killing wavelength	365nm
Insect killing power	1 W
Patent USA and International	China, Japan, Australia, Germany (DPMA), other countries pendent
Development	designed in USA, Made in China
Energy efficiency	A+
EAN-Code	0860365000462
Classification / Guidelines	   
Certificates	UL Certified Version
Bulb size	110 x 140 mm (Ø x height)
Box size / single box	115 x 115 x 155 mm (length/width/height)
Weight lamp include packaging	200 gr (weight LED 135,7 gr)
Packaging Informations	36 bulbs per master carton (46 x 35 x 44 cm), weihgt 8,3 kg
